These are general preparation guidelines for imaging studies. You may receive more detailed instructions prior to your exam depending on the type of study your doctor has ordered and your medical history. Please follow these and all other instructions carefully to help ensure a successful exam. Visit our website for additional information and pre-registration forms.

PATIENT PREPARATION FOR AN MRI/MRA

- Upon arrival, please expect to fill out required paperwork. Most forms are available on our website at www.camelbackimaging.com. For *expedited service*, print and complete relevant forms. Save time by bringing them with you to your appointment.
- Please bring insurance card and any previous studies (films and reports) if related to today's visit.
- A parent or guardian must accompany a minor for authorization.
- Wear loose fitting clothing without snaps or metals and please remove all jewelry before arriving.
- If having an abdominal MRI do not eat or drink for 4 hours before your exam time.
- If you have ever had a metal injury to your eyes please call our office before arriving at the facility.
- If you have any questions, please call our Scheduling Department at (480) 342-9729 in Scottsdale or (480) 940-9729 in Ahwatukee.

Scottsdale Location

9825 E. Bell Rd.

PATIENT PREPARATION FOR A CT SCAN

- Upon arrival, please expect to fill out required paperwork. Most forms are available on our website at www.camelbackimaging.com. For *expedited service*, print and complete relevant forms. Save time by bringing them with you to your appointment.
- Please bring insurance information and any previous studies (films and reports) if related to today's visit.
- A parent or guardian must accompany a minor for authorization.
- Wear loose fitting clothing without snaps or metals, you may be asked to change into a gown.
- Please do not eat or drink for 4 hours before your CT study.
- An intravenous contrast agent or "dye" may be administered through an IV in your arm during the study.
- If you need to take an oral prep for your CT, you will be advised at the time of scheduling.
- If you have any questions, please call our Scheduling Department at (480) 940-9729.

Ahwatukee Location

15215 S. 48th St.

PATIENT PREPARATION FOR A P.E.T. SCAN

- Upon arrival, please expect to fill out required paperwork. Most forms are available on our website at www.camelbackimaging.com. For *expedited service*, print and complete relevant forms. Save time by bringing them with you to your appointment.
- For most exams you should not eat for 6 hours prior to your appointment time. You should drink plenty of water and take any medications that you are on unless you are specifically instructed not to take them by a doctor. If you are having an exam of your heart, you will be asked to eat a high-carb meal just prior to your appointment. Ask our scheduling department for specific details.
- You should not perform any strenuous physical activity for 24 hours prior to your exam.
- Please inform our staff if you are diabetic, may be pregnant or weigh more than 350 lbs. You may require special instructions in order to complete your exam, or to be re-scheduled for another date.
- If you are unable to make your appointment, please provide us with at least 24 hours notice to cancel. The injection you will receive is ordered specifically for you and cannot be re-used. You may incur charges if you do not provide 24 hours notice.
- You should dress comfortably and leave all jewelry and other valuables at home.
- Please bring your insurance card, as well as any recent X-rays, CT, MRI or any other test results with you on the day of your exam. They are important in the interpretation of your P.E.T. scan.
- If you have any questions, please call our Scheduling Department at (480) 940-9729.
